Dear Mr. Cook,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Thank you, Ms Easterling. I am finding that no one will take responsibility for this utility. I was hoping that you all could help. No worries, this battle for me is just beginning, they cut the power off on the wrong fella

While I have you and on another issue that you do have control over, your Commission needs step up your representation of the people of this state. Take the lead role in seeing that Jimmy Addison, Steve Bayne and Kevin Marsh are punished to the fullest extent of the law for lies told to investors and hence crimes committed to defraud and embarrass the people of this state. After the SCANA fiasco went down, my 86 year old Father with dementia told me, "it's enough to make you want to move". He is a native South Carolinian.

The world needs to know that SC is protected by its government and is not the place to go to hoo-doo people.

Thank you again Ms Easterling.
